Liv - ing a lie _____ Liv - ing a lie
 In - to the sun _____ In - to the sun
 Will I wake up? _____ Will I wake up?

Floating I am - really high
 Up in the sky
 Dreaming I am, another guy
 Living a lie

Taking it not - really well
 Being the one
 Going where loneliness dwell
 Into the sun

Scorching it is - really hot
 it must soon stop
 Searing my brain, real or not
 Will I wake up?
