T mals from south by north and to the

B mals from south by north and to the

54

S end of the world.

A end of the world.

T end of the world.

B end of the world.

A long time ago,
before human beings and animals were created,
starvation came by the world.
It found it empty, and starved.
The starvation starved all over the world
from south by north and to the end of the world.

A long time ago,
before emptiness and starvation were created,
sorrow came by the world.
It found it deserted, and sorrowed.
The sorrow sorrowed all over the world
from south by north and to the end of the world.

A long time ago,
before starvation and sorrow were created,
hope came by the world.
It found it likely, and hoped.
The hope hoped human beings and animals
from south by north and to the end of the world.
