A *mp* here and there. Great small, and here and there.

T *mp* here and there. Great small, and here and there.

B and there. and there.

I am a train.  
My head is a locomotive, legs and arms are coaches. Shame departs, pride arrives.  
I have found myself.

I am a shadow.  
At first I consumed all my hope, then I ate my name and mind.  
I have found myself.

I am a riddle.  
Great and small, warm and cold, here and there.  
Who am I?
